### En Plein Air

Thursdays 4:00 to 7:00 pm

Contacts: Lisa Alyson 603-205-2460 | Bill Paarlberg 207-439-1717

Greetings! We're excited about being the type of group that can "spread out" rather than "gather" during the COVID-19 crisis. And grateful to those who graciously invited us to paint from their homeground with amazing views! We will meet on Thursdays, 4:00 to 7:00 pm. You can decide on the weather.

The only requirement for KAA "En Plein Air" (painting on location) is to be a member of KAA. You may join online at [www.kitteryartassociation.org](http://www.kitteryartassociation.org).

Please do not expect to have access to restroom facilities, as most of these are private residences.

**\*DEMOS:** We have Doris Rice, Lisa Regopoulos and Mary Byrom lined up, so we'll see what's "in the air" come time for the workshops. DEMOS are \$15 for KAA members, \$20 non-members. Cash or check.
